This is the story of Patrick Henry High School in the school year of 1957-1958—the year made famous by the launching of the first man-made satellite and the chemise dress.

The year also culminated in a great deal of attention on the part of public and press on the problems of American schools and their students. This Book isn't a panacea of educational problems, but rather the picture story of how one school worked, studied, and played—it is the story of Henry High in 1958.

## Patriots Complete Season, Win 4, Lose 3

## Henry 12 Southwest 0

Henry opened the 1957 football campaign by defeating a stubborn Southwest team 12 to 0. The contest, which was played at Porter Field, was hard fought and was an even duel until fullback Jerry Vice broke into the end zone from the one yard line with only four minutes remaining in the game. Southwest, in an attempt to get back into the game, took to the air, but End Gene Lhotka picked off a screen pass and returned it to the Southwest nine yard line. John Kallestad scored on the next play to clinch the victory for the Pats.

## Henry 20 Edison 6

Edison was Henry's second victim. The Pats made tough work of a 20 to 6 victory over the Tommies. Edison scored after a few minutes were lapsed in the game. Henry countered with two touchdowns scored by Jerry Vice and one by John Kallestad as he ran an intercepted pass back 91 yards behind blocking by end Don Andrie. Vice's touchdowns came on short plunges. His line mashes throughout the game were Henry's main weapon.

## Henry 20 West 6

Henry continued its winning streak with a 20 to 6 win in the Homecoming game. The Pats led 6 to 0 at halftime. A 35 yard touchdown run, a fumble, Henry carried on and half and with a burst to get the lead.

The Cowboys took out the game and dominated the game, gaining 14 Henry's 3. With West in the line and in a fine position, backer Warren ran a fat pass and rambled 73 yards down the sideline unmolested.

## Henry . . . 19 Marshall 0

Henry beat Marshall 19 to 0 for its fourth straight victory. The Pats were aided by 11 Marshall fumbles, nine of which were recovered by the Patriots. John Kalestad scored two of Henry's touchdowns, one on a 70 yard off-tackle sprint and the other on a pass from full back Jerry Vice. Vice scored the other touchdown on a short plunge in the second period. Ed Reinert, Pat Himmler and Jerry Stacy played outstanding defensive football. Their hard tackles were the cause of many of the Marshall fumbles.

## Henry . . . 7 Washburn . . 14

Henry played its best game of the year when the team met Washburn at the Parade Stadium, but nevertheless came out on the short end of a 14 to 7 score. Me Jacobsen scored Henry's touchdown when he picked up a loose ball after one of his mates blocked a Washburn punt. The Pats failed to capitalize on scoring opportunities in the third quarter each time by fumbles recovered by Washburn gridgers. The Henry defensive line led by W. Carlson, V. Clipper, J. Stacy, and M. Jacobsen played brilliantly throughout the whole game.

## Henry . . 12 Roosevelt . . 26

Henry went into its game with Roosevelt owning a 4 and 1 record and a share of second place in the City standings with the Teddies and Washburn. The Teds used both passing and running plays, mixed well, to defeat the Pats 26 to 12 on a muddy field at the Parade Stadium. John Kalestad scored both of Henry's touchdowns and was the only bright spot in the Henry attack all evening. The touchdowns were his seventh and eighth of the year.

Hampered by a flu epidemic and bad weather, the Patriots were unable to hold a practice session for a week prior to the game.

Henry . . . 0 Central 13

Central dropped Henry into fifth place when the Pioneers defeated the Pats 13 to 0 in the final game of the year, which was played at Porter Field. Henry had a hard time moving the ball against the inspired Central team which had won only one game previous to this. Quarterback Joe Jennings and fullback Jerry Vice were the only effective weapons that Henry could throw against Central but it wasn't enough.

Prospects for next year look good with Coach Cieve using six sophomores—K. Krez, B. Gerdtz, M. Shobin, R. Lucht, J. Young and R. Kormanik—in the Central game.

## Junior Varsity

Henry's Jr. Varsity, coached by Mr. George Wemeier, finished out its season by defeating our rival, North, by the score of 42 to 0. The team's record was a respectable two wins, one tie, and one loss.

Starting in the line for Henry were F. Conrad, D. Lobash, E. Koiniski, D. Jones, S. Frazier, D. Huleman, and D. Norton. The starting backfield were G. Hoerschgen, J. Stock, J. Decowski, and L. Ferguson. This unit and the able reserves handed defeats to North and Central, tied West, and lost to Edison.

## Rebounding Was Cagers Bright Spot

Henry's team finished the season with a record of 15-10, placing them sixth in the conference games.

The starting lineup for Henry's team consisted of Bob Kline and Bud M. Harrison and Neil Christoffe. Maley, Chuck Tackaberry and Gar Ho are expected to be back to form the nucleus of what should be a strong team next year.

# Sophomores Develop Basketball Prowess

The sophomore basketball squad completed the season with an overall record of four wins and twelve losses with Coach Robert Littlefield at the helm. The starting line-up consisted of: B. Ohland, D. Wyszynski, L. Carlson, G. Hatton, and B. Gerdt. These players should add considerably to the varsity squad of next year.

**Sophomore Squad—Row 1:** T. Hansen, B. M., K. B. Tessman, J. Stosk, J. G. bert, D. Ma.  
**Row 2:** B. Ohland, C. Canham, D. Sto., Licht, D. Friend, D. Wyszynski.  
**Row 3:** Coach R. Littlefield, R. Becklund, J. Finnmore, M. Northway, L. Carlson, G. Hatton, B. Gerdt, K. Kre.

# Skiers Hampered By Season's Light Snow

Coach Floyd Amundson and his ski team were unable to complete their schedule of meets because of the light snow this winter. The team was able to place fifth in the City Meet and they competed in one other meet with West which they won. Two members of the team placed in the State Ski Meet. Dean Keller placed 14th in cross country and Dick Swanson ranked 17th in jumping.

**Ski Team:** Left to right: Coach F. Amundson, J. Ruffenach, B. Carlson, D. Keller, D. Swanson, L. Brandberg, B. Dineen, D. Bates.

The apparatus season was climaxed when two of its members, Warren Carlson and Darryl Thayer, took two firsts in the State Gymnastic Meet. Warren Carlson took his first in B Class on the trampoline and Darryl Thayer, a junior, gained first place in "C" Class for his outstanding performance on the mats.

Henry placed fourth in "D" Class and ninth in B Class at the Northwest Invitational Meet. At the City Meet, Henry won a fourth spot once again. Region V competition placed Henry in sixth position.

Although the team's record was not impressive, 1 win and 5 losses, the season can be counted a success.

"D" Class—Row 1: R. Hennings, D. Keran, P. Chermak, E. Pawloski, L. Fitzsimmons, B. Pfister. Row 2: G. Hammerund, B. Kasparik, Townsend, D. Swigart, D. Quady, L. Thompson, W. Bennett. Camera Shy: W. Ersb.

## Hockey Team Upholds Winning Tradition

After a successful season, the Henry hockey team has again upheld its winning tradition. In a recent game, the team blanked the team 5 to 0.

The team has been successful in the city play-offs, only to lose to St. Paul Harding in the Region I finals.

Coach Harold Youngmans has again guided the Henry pucksters through another successful season. During his seven years at Henry, only once have the hockey teams under his guidance missed the city play-offs. This record illustrates his coaching prowess.

Coach Harold Youngmans gives Capt. G. Gauke some good pointers on skating.

Goalie J. Decowski 'clears the puck' while defenseman M. Jacobsen 'covers up' in front of the cage in the pay-off game with North. Henry defeated the North 4-1.

Signs of promise for next year are in evidence with goalie J. Decowski, defenseman J. Lindquist, and the line of T. Dehne, T. Skavnak, and A. Seguin. The team was named the second team All-City at the end of the season. J. Decowski, along with Captain G. Gaulke were the backbone of the defense for the team this year.

Ron Andrie led the team in scoring this year with a total of nine goals and three assists. Ron was closely followed by Tom Dehne, with nine goals and two assists, and Tom Skavnak with six goals and five assists. The most crucial goal of the season, which won the West game two to one, was scored by Ron Andrie with a fraction of a second remaining in the contest. Dehne and Skavnak are juniors and will be returning next year.

Junior Tom Skavnak gets off a shot against the St. Paul Harding defense in the Region I finals. Harding won the game by the score of five to two.

## Sophomore Pucksters Place Second

The sophomore hockey team, coached by Robert O'Neill, placed second in the Region I finals. The team, known as the 'B' squad, was composed of several players who showed promise throughout the season. Despite a loss in the final game, the team's performance was commendable. The players were hopeful for the future, and the coach expressed his satisfaction with their progress.

## Matmen Place Four in District 17 Meet

This year's wrestling team finished the season with a respectable showing although the team was generally lacking in experience.

Co-captain Jack Llarinas captured the City and District 17 titles before being defeated in Region 5 competition. Lynn Ferguson and Van Clipper gained second place in the city in their weight divisions. The team should be strong next year with these matmen returning and only this year's co-captains, M. Kuehnelt and J. Llarinas, will be missing from the starting line up.

Mr. Don Swanson has proved to be a fine wrestling coach and the grapplers are looking forward to next year's season under his watchful guidance.

Co-captain Mark Kuehnelt is shown applying a hold on Warren Knight while John Stock acts as the referee.

The varsity baseball team, composed primarily of juniors, started out fast this year by winning four straight practice games. The squad won victories over Mechanic Arts of St Paul, Minnehaha Academy, Benilde and De La Salle. Leading Henry in these early season triumphs were T. Edstrom and H. Harrison, hitting stars and J. Thunstrom, who was the pitching star in these games.

With these games as a preview, the team should do well in the conference this year.

## Sophomores Groom for Places On "A" Squad

The Sophomore squad under the direction of Coach M. Johnson is thirty-five members strong and should provide Coach Youngmans of the varsity with strong material for the future.

The Sophomores play, as do the varsity, in the Northern Division with Edison, North, Marshall, and Vocational. They play each team twice during the year and then the winner of the Northern Division plays the winner of the Southern Division for the City Title.

The 1958 track squad under the able direction of coaches F. Valley and B. Littlefield started out the year by placing seventh in the Metropolitan Indoor Meet. The meet was held at the University of Minnesota and schools from both Minneapolis and St. Paul competed.

The team was paced by W. Carlson who set a new pole vault record at 12 feet. Carlson had cleared 12 feet 6 inches in practice this year, but was unable to reach that height in the meet.

According to Coach Valley, next year's prospects look good, since most of the fifty boys on the squad are underclassmen.

# Tennis Team Builds With Young Material

Looking forward to the coming season, the tennis team began practice at the Webber Park courts the week before spring vacation.

The team is young, but the sophomores on the squad show great potential. They are: G. Hatton and B. Ohland, who will be a doubles team, and G. Lane and P. Leverentz, who will be singles men. Tentatively, all four of the above plus M. Nelson, singles; D. Swenson and J. Buchkosky, doubles; will comprise the team.

The squad plays ten matches in a round robin tournament with the other city schools.

## Golfers Foresee Promising Season

The golf team, coached by F. Cleve, is anticipating a successful year with four men back from last year's "better than average" team. Veteran linksters are: Captain H. Hontz, B. Lucas, D. Pehl, and G. Hammerlund. These boys will give the team the needed experience for a good season this year and are being counted on.

The team members began practicing for the coming season at Theodore Wirth Golf Course during spring vacation.

## They Promote Our Student Welfare

The years of your high school life have been filled with profitable activities. These activities will be of little value unless you profit by the experiences they afford and use them to your future betterment. Your greatest joys are the joys of accomplishment, and the incentive to continued success is found in them.

It is my hope that each of you will enjoy a life filled with success and happiness and the friendships made at Henry shall be treasured

**Principal A. B. Schultz**

It would be well for each one of us to view the school year in retrospect to attempt an evaluation of our scholastic achievements and our total contribution to the life of the school.

The entire curricular and co-curricular program at Henry provides an opportunity for every student to develop his mind and body to the fullest capacity. Our hope is that the experiences gained will inspire each of us to greater achievements in the years to come.

As B. C. Forbes says, "It may be all right to be content with what you have; but never be content with what you are."

**Assistant Principal R. DeLapp**

# Those Who Serve Us

It would be difficult to face the future without the understanding and advice given to us by our three counselors.

Ronald Barnes, Kenneth Knox, and Winnifred Hultcrantz may be found the whole year helping students do everything one can think of from scheduling programs to finding us jobs. Outstanding in their fields sums up Henry's counselors.

Mr. R. Barnes, Mr. C. Knox, Miss W. Hultcrantz

Miss M. Nelson, Miss F. Zeglen

A person who is concerned with each individual student is Miss Nelson, our school nurse. During the year she is interested in such things as eye tests, ear tests and chest x-rays.

A friendly sympathetic attitude aids our visiting teacher Miss Zeglen. With her understanding she helps students with both school and home problems.

# Student Council — The Student's Voice

The Student Council provides a means for the students to voice their opinions. It is a democratic way of representing our school through a cross-section of the student body. This year's delegates represented Patrick Henry at the All-City Conference and at the North-Henry Youth Conference. With the untiring help of Miss Kienholz the council has provided fun for the students Homecoming . . . Sadie Hawkins Day . . . the Tag Day movies . . . and many more. All of these we will remember as some of our best times at Henry.

## Scribes for the School

A year has passed and what was just lots of copy and a pile of pictures is now the 1958 Orator. We've had many troubles with deadlines, dreaming up copy that's original, shortage of pictures, cutting and pasting pictures. At times the staff could be working as late as 5:30 or 6:30 to meet the all-important deadline.

We give thanks to Mr. Amundson, our advisor, for his much appreciated help and patience. His sense of humor and pleasant personality inspire the entire staff to do their best.

Advisor, Mr. Amundson, talks over matters of importance with Editor-in-Chief Lynne Olson.

Discussing a future Patriot are A. Seguin, C. Yost, K. Uku, Mr. Amundson and C. Perry.

A sometimes thankless job was done by the twenty members of the Patriot staff. You could usually tell who these members were by the harassed look on their faces on deadline day. The Patriot came out about once every three weeks. The editor's biggest problem was getting all the copy handed in and corrected before it was to be sent into the press. Then back came the proofs and they had to correct all the new mistakes either overlooked by the editors or made by the printer. The reporter's biggest problem was waiting for the editors to finish their layouts so that they would know how many words their story was to be. News tips either came all at once or none at all. Sometimes, just before the copy was sent in some big story would show up and layouts had to be changed to fit them in. But, all in all these newswriters gained fun and experience during the year.

## Their Job is Reporting the News

A lot of hard work goes into putting out a paper, but under the able direction of the staff advisor, Mr. Amundson, the job is fun.

Whether it is an office girl running the switchboard, a library assistant creating a book for someone, a nurse assistant giving a helping hand, the efficient volunteer can always be counted on to do a good job. Not only are they earning service points, but they are also preparing for the future by getting the valuable experience.

The purpose of the Y-Teens is "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." Y-Teens is open to any senior high girl who wishes to join.

There is an all-school meeting the first Tuesday in every month where guests come to speak to the girls on everything from basketball to beauty.

The Recognition Banquet, Sock Hop, Winter Whirl, Hanging of the Greens and the Senior Farewell Tea are just a few of the varied activities participated in by Y-Teens.

This year, because of its growing membership, Y-Teens was divided into six chapters. The chapters met three times a month and worked on service projects such as packing Thanksgiving baskets for the unfortunate and sprucing up the trophy case.

The over-all goal of Henry's F.H.A. is to help individuals improve personal, family and community living, now and in the future.

The Centennial Review was Henry's big event this year featuring fashions that dated back as far as 1860. The Review displayed clothes, furniture, hand-made woven goods, dishes, and silverware. The State Convention was attended by representatives and Harold Pedersen early in March at the Leamington Hotel. Harold, our exchange student from Norway, spoke on the customs of his country.

The main money raising project for the year was selling all occasion greeting cards and stationery. This money was a means of providing the Christmas baskets they sent to needy children.

# Girls' Sports Offer Year Around Activity

Good sportsmanship is the basic understanding in the Girls' Athletic Association. The Henry High School sports program for girls begins early in the fall with the organized playing of badminton. This program is under the direction of Miss A. Amon.

An intramural bowling program comes later way later in the season with Miss P. Ziebarth as faculty supervisor. About seventy girls took part in this phase of the program.

The G.A.A. program winds up with volleyball, basketball and tennis. These sports are under the direction of Miss P. Ziebarth, Miss E. Johnston, and Miss A. Amon.

Practice makes perfect for Gordine Lindstrom and Irene Oppen as they skillfully bat the birdie back and forth. This year the badminton team took second place in their district by winning three out of four games.

Participation on ten occasions in any one sport credits a girl with 100 points. This enables her to receive a small letter. Girls earning 500 points are entitled to a big letter. The award for 1,000 points is an all-city emblem. Only a few girls ever achieve this honor.

The above girls are shown scrambling before the intramural basketball play-offs. Evidently they were not too far from winning the championship.

This year's band has been an active participant in many school and city festivities. Some of these included the Northside Parade, Kiddy Parade, Raspberry Festival, both Aquatennial parades (in which they received top honors for their class), and the coronation of the Junior Queen and Commodore.

These are in addition to the traditional colorful activities of the band, such as presenting half-time shows for football and basketball games, and playing for pep fests.

After their annual spring concert on the 24th of April the band helped start the Centennial celebrations with their part in the Northside Centennial Kickoff and the Minnesota Statehood Centennial Parade.

The senior class election was a highlight of the year, in spite of the flu epidemic. Banners, signs, tags and hats gaily decorated the hall and the senior class. The elected are pictured on page 3. They are Sylvan Rue, treasurer; Tom Montgomery, president; Tom Scheil, vice president; Lyle Holm, mascot; Charlotte Reinert, and Ed Reinert, sergeant-at-arm.
